

## ABOUT JUSTGOOD HEALTH

Justgood Health, located in Chengdu, China, is founded in 1999. We're committed to supplying reliable ingredients of top quality to our customers over the world in nutraceutical, pharmaceutical, dietary supplements, and cosmetics industries fields, where we can provide up to over 400 different kinds of raw materials and finished products.

## OUR SERVICES

We provide 3 different services. We can provide you with your own custom private label, semi custom products and bulk orders. Pricing for your own label and private label depends on the quantity and the size per package as well as the type of packaging. Therefore we can quote you for our own label / private label on request.

### ● CUSTOMIZED PRIVATE LABEL

Is a services based on fully customized into your needs, we can start a customized private label from per product per flavor!

### ● SEMI CUSTOM PRODUCTS

We get a lot of customized formulas every day, depending on your needs we can help you to start from a small quantity just to help you with starting you own brand!

### ● BULK PRODUCTS

We specialized in exporting of raw materials,we also have our own production facility based in the China which has a high quality standard from scratch. We can offer all kind or raw materials of ingredients, food supplements, food additives and medical products for you!

Our mission is to provide timely, accurate, and trusted one-stop solutions for business to our customers in the fields of nutraceuticals and cosmetics, These business solutions covers all aspects of the products, from formula development, raw material supply, product manufacturing to final distribution.
